Your Telemedicine Explained

- ◆ In December 2017, PEEHIP was extremely pleased to be able to offer [Teladoc](#) as an available option to members enrolled in the Blue Cross Blue Shield Hospital Medical Group 14000 plan. Teladoc offers 24/7/365 access to board-certified and state licensed physicians to these members and their covered dependents for no copay. But if you are a Medicare eligible member covered under the PEEHIP UnitedHealthcare Group Medicare Advantage PPO Plan, did you know you also have access to telemedicine? Please see the [PEEHIP Advisor](#) for important information and a side-by-side explanation of the different telemedicine benefits available for PEEHIP members.

Healthcare Services at Your Workplace

- ◆ As a reminder, wellness screenings and flu shots provided by the ADPH are the only healthcare services covered by your PEEHIP benefits when obtained at your workplace. Any other services such as vaccinations or check-ups provided by vendors at your workplace other than the ADPH will not be eligible for reimbursement. To avoid charges, please do not obtain healthcare services at your workplace from any vendor other than the ADPH.

Statement of Nondiscrimination: PEEHIP complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
