

CHAPTER 4.00 - CURRICULUM AND INSTRUCTION

SUMMER PROGRAMS

4.14

The Henry County Board of Education authorizes summer programs when needed. The Superintendent or designee shall determine the building site(s).

Summer program requirements and extended school year services shall be developed by the Superintendent and approved by the Henry County Board of Education.

Students wishing to participate in summer programs to earn credit and/or to meet requirements for promotion shall obtain the approval of the school principal or designee prior to enrollment or participation.
