7.92

In order to promote academic excellence and recognize significant contributions to education, the Henry County Board of Education may expend public funds for the purchase of trophies, plaques, academic banquets, and other appropriate honors to recognize special contributions by students, faculty, staff, and the public that strengthen public education in the school system and the state of Alabama.

Non-public activities including parent organizations may give prizes and awards of nominal value to students and employees of the Board for any reason deemed appropriate and approved by the organization in documented minutes of the organization.
